SEPULVEDA SENIORS' GOLF CLUB

MARCH 2020

Here's what LA's Golf Division has set up for golfers

During this CoronaVirus, City courses will remain open during regular hours, implementing a variety of procedures to promote social distancing and keep common areas sanitized.

Stanchions and other delineators are being set up at each location to create a six-foot barrier around the starters' areas in order to minimize close contact between employees and the public.

Food and beverages at golf course restaurants and cafes are now take-out only.

Visitors are encouraged to pay by debit/credit cards when possible.

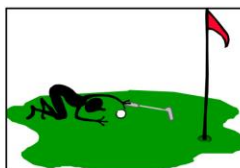

2020 Member Roster is set for a Spring update

If you've moved, changed or added a new phone number or email address, now's the time to let us know.

Contact **Irv Chern** at once and fill him in with any changes you want to make in our roster.

Phone him at 818.348.7626, or email him at irvchern@aol.com.

The booklet is also filled with Club highlights, player awards, history and vital information.

OUR BOARD OF DIRECTORS VOTES TO CANCEL A FEW SPRING EVENTS

The Board met (via email) on March 17. All members agreed to cancel Club activities through April 20 in keeping with City and State strict suggestions. This includes the April 13 board meeting and Stuckert League competition.

Our March 23 Presidents' Club tournament is postponed to a later date to be announced.

Our three 1-Day Away events are still on the schedule. They are: Elkins Ranch on 4/20, Buenaventura on 6/15 and Olivas Links on 8/26. If the current pandemic is still running rampant at those times, those dates will be postponed or cancelled.

Please note that our City courses will remain open, and it is left up to players to schedule non-club activities including rounds of golf.

GOOD LUCK TO ALL

SENIOR MOMENTS

A WORD FROM OUR PRESIDENT

Fellow SSGC Members:

With the cancellation of the next few events, we won't be seeing much of each other for a while. Please know that we are still here for you. The majority of our members are north of 70, some with underlying medical conditions, so please take the appropriate precautions as outlined by medical authorities.

Anyone who might be stuck at home and needs assistance (a ride, meal, visit, tp, paper towels, etc.), please contact me or any board member and we will be glad to help out.

Hoping that we all stay healthy through this crisis and that we all get together in late April for some golf. Continue to check our website for future updates. Miss you all and good health.

Steve Skinner
President
